**SCHEDULED OPENINGS TO BEGIN FOR  
PORTSMOUTH, NH – KITTERY, ME LIFT BRIDGES**

The New Hampshire Department of Transportation announces daily scheduled openings for river traffic will begin on Sunday, May 15, 2005 at the Sarah Mildred Long Bridge (US Route 1 Bypass) and the Memorial Bridge (US Route 1) over the Piscataqua River between Portsmouth, New Hampshire and Kittery, Maine.

The Long Bridge will open at 30-minute intervals (15 minutes before and 15 minutes after the hour) daily from 7:00 AM until 7:00 PM. The Memorial Bridge will open at 30-minute intervals on the hour and half hour daily, also from 7:00 AM until 7:00 PM.

These scheduled openings will continue through October 31, 2005. Both bridges will continue to open “on call” for commercial vessels in excess of 100 gross tons.

Ship operators are reminded of the following US Coast Guard regulation, Section 117.11 (33 CFR Chapter 1) which is intended to eliminate unnecessary bridge openings: “No vessel owner or operator shall signal a drawbridge to open for any nonstructural vessel appurtenance which is not essential to navigation or which is easily lowered.”
